

Careers Education Information Booklets

New edition

Which Way Now? 2017-18

Which Way Now? is a one stop publication to aid option/career choices that remains one of our bestsellers. Support the delivery of careers education, advice and guidance with up-to-date impartial information about the range of education and training options for Key Stage 4. It includes information on the new grading system for GCSEs from September 2017, along with details of other reforms to qualifications and assessment. Each booklet contains a 'Parents and Carers Supplement'. A Practitioner's Guide accompanies this resource. **Sample pages are available on request.**

It's Your Choice supports the delivery of careers education, advice and guidance with up-to-date impartial information about the range of education and training options for post-16 students. They include: information about reforms to qualifications and assessment, case studies from others who have experienced this process, action points to take students through the steps they need to follow, tips and signposts for where to find out more and a supplement to support parents and carers as they help their teenagers with their subject and career choices. A Practitioner's Guide accompanies this resource.. **Sample pages are available on request.**
